**SUBJECT.—***Import of Chicory Powder [S. No. 79-(b)-IV], under the Export Promotion Scheme.*

**No. 18-ITC(P.N.)/54.**—With a view to promoting export of "French Coffee" it has been decided to grant special import licences for the import of Chicory. The procedure and general conditions governing the issue of import licences in approved cases will be as follows:—

- (a) Import licences for Chicory will be granted only after export of French Coffee has taken place.
- (b) The value for which import licence will be given will be 25 per cent. of the rupee equivalent of the foreign exchange received in payment of the f.o.b., value of exported French Coffee.
- (c) Import licences will be issued for Soft Currency areas only and export of French Coffee to Nepal, Tibet, Pakistan and French and Portuguese possessions in India will not be taken into account in granting import licences for Chicory.
- (d) Applications will be entertained by the licensing authorities at the ports at which the export was made on production of the following documents relating to exports effected after 1st January 1954:
  - (i) Shipping document i.e. Bill of Lading; and
  - (ii) Bank certificate stating the amount received in token of goods exported vide Clause '(b)' above.
- (e) Applications will be entertained only once in a quarter from any applicant. Thus applications for import of Chicory in respect of exports of French Coffee effected in a quarter should be made in the succeeding quarter.
- (f) Applicants will have to comply with Income-tax verification and relevant Import Trade Control regulations.
